This form doesn't have any fields yet. Follow the steps below to get started.

1. Select A Field Type
Start by selecting a field type from the nifty floating panels on the right.

Start Over There Pick a field, any field. Don't be shy.

2. Click to Add A Field
Once you've found the field type you want, click to add it to the form editor here on the left side of your screen.

Now your new field magically appears over here.

3. Edit Field Options
Click on the edit link to configure the various field options.

Preview your changes up here.

Edit the field options. Go ahead, go crazy.

If you get stuck, mouseover the tool tips for a little help.

4. Drag to Arrange Fields
Drag the fields to arrange them the way you prefer.

Grab here with your cursor.

Drag up or down to arrange your fields.

5. Save Your Form
Once you're happy with your form, remember to click on the 'update form' button to save all your hard work.

Save Your New Form You're done. That's it.
